

Downforce or drag?

Target:

Practice:

- The data analysis process

Resources:

- 1- Udacity [Introduction to data analysis](#) course
(There are Arabic and English subtitles provided in the “Subtitles” folder)
- 2- Pandas [official documentation](#)

Problems:

Problem 1 ☐ Watch the videos in order

Problem 2 ☐ Upload all of the datasets in the Datasets folder to your Jupyter notebook tree

Problem 3 ☐ Read the instructions in each folder (if found)

Problem 4 ☐ Submit the following notebooks solved:

[assessing_quiz, appending_quiz, eda_visuals_quiz]

Evaluation:

Problem 4 ☐ 5 points for each notebook (total of 15)

Deadline:

3 Days # wednesday – April 26 at 11:59pm
